

## Brake Certification

Name: \_\_\_\_\_ has accomplished the necessary requirements of Section 396.25 to become DOT certified on the inspection, repair, and maintenance of the braking systems checked below.

Please check all boxes that reflect your experience and training:

- Air Brakes
- Hydraulic Brakes

The employee noted above has completed the following areas that certify him/her to inspect, repair and maintain the brakes on the above indicated systems.

Please check all boxes that reflect your experience and training:

- Understands the brake service or inspection task to be accomplished and can perform that task.
- Is knowledgeable of and has mastered the methods, procedures, tools, and equipment used when performing as assigned brake service or inspection.
- Capable of performing the assigned brake service or inspection by reason of experience, training, or both:
- Has successfully completed an apprenticeship program sponsored by a State, a Federal Agency or a labor union, or a training program approved by a state or Federal agency, or has a certificate from a State which qualifies the person to perform the assigned brake service or inspection task. (Including passage of the commercial Driver's License air brake test in the case of brake inspection); or
- Has brake training or experience or a combination thereof totaling at least one year.
- Such training or experience may consist of:
  1. Participation in a training program sponsored by a brake or vehicle manufacturer or a similar commercial training program designed to train students in brake maintenance or inspection similar to the assigned brake service or inspection task: or
  2. Experience performing brake maintenance or inspection similar to the assigned brake service or inspection task in a motor carrier maintenance program: or
  3. Experience performing brake maintenance or inspection similar to the assigned brake service or inspection task at a commercial garage, fleet lease company or similar facility.

I hereby certify that I, the employee named on this form meets the DOT requirements addressed in section 396.25 to inspect, service and repair the brakes on the FedEx fleet.
